

Police Station Project Blog

Police Station

Primary Image Placement: Left

Welcome to the official West Linn Police Station facility project blog!

The City will update this blog periodically with project status, news and information to keep the community engaged and involved in this exciting building project. If you would like to read more information on a topic discussed in this blog, click on a hyperlink to redirect you to the associated webpage.

As always, we welcome your questions and feedback! Please use the Online Inquiry system to ensure the appropriate person receives your comments/questions, or check out the Project Q & A page for commonly asked questions.
